Dear Nili,

Thank you for your reply. Do you know the exact dates for his commitment? I am sure we can figure something out.

We are very interested in counting with Barak's participation in the events we mentioned.

Please let us know some date options that would work for him.

Saludos,
V.fox

Dear friends,
We enjoyed your visit to Israel too and hope that Jerusalem and the holy places left good impression on you as well.
We enjoyed your grandchildren as well. They seem so mature and open. Already people of the world. I forsee great future for them.

unfortunately, the dates that you cited are not convenient for PM Barak as he committed himself to be a visiting scholar of Harvard

Kennedy school at the beginning of the coming school year during two months
(i.e. sdeptember october 2016).

thank you for the invitation and hope to be able to make it in the next opportunity,
warm regards to the family,
Nili Barak
